4. Applications will be accepted from interested E4 and E5 personnel. Soldiers must be in good standing on the current STPA Master list and have the necessary line scores for attendance at the appropriate MOS-producing course. Selection will be based upon the highest STPA score.

5. Interested soldiers must submit a memorandum or DA Form 4187, through their unit requesting consideration for the position NLT 15 August 2000. Applications must include the DPOS, paragraph and line, and unit, and location of vacancy.

6. Soldiers selected to fill a depleted CPMOS have 12 months in which to become MOS qualified. A soldier who possesses the depleted MOS as a SMOS or an Additional MOS (AMOS), but has not performed the duties of the MOS for more than five years, may apply. If selected, however, the soldier will not be promoted until he/she has worked in the position for a period of one year.
